GIS/CAD Intern

EPS Group, a Civil Engineering Firm, announces a part-time internship opportunity, to begin as soon as possible.

**Nature of Work:** To maintain the firm’s project geodatabase and assist in map production for engineering purposes using ArcMap and ArcGIS Online. Assist in civil improvement plan production using AutoCAD. Miscellaneous GIS/CAD tasks as needed.

**Qualifications:**
- Must be junior/senior pursing Geography/GIS B.S. or M.A.S. 3.0 GPA.
- Some hands-on experience using ArcMap 10.0 or above.
- Working knowledge of spatial data formats, geodatabase attribute domains, and map projections.
- Organized, detail-oriented, ability to perform repetitive tasks and change tasks as needed.
- AutoCAD experience is a plus but not required.

**Compensation:** $12/hr

**Time Requirement:** 10-20 hours a week. 10 GIS and 10 CAD. Monday-Friday. Between 7am-7pm.

**Location:** 2045 S. Vineyard Avenue Mesa, AZ 85210

**More Information:** Email Jeff Ditgen at jeff.ditgen@epsgroupinc.com for more information.

**To Apply:** Send a resume and the name of one reference who can comment on your abilities for this internship to: jeff.ditgen@espgroupinc.com

**Deadlines:** Apply for internship by March 30, 2018
